

SUSTAINABILITY IS THAT EASY

True circular economy. The new standard.

100 % POST-CONSUMER-RECYCLATE

Material: PCR-PE, PCR-PE-HD , PCR-PP, PCR-PS

Reduction of the
GHG emissions
up to **45 %**

INTERNAL PROTECTION

Closure Plugs
GPN 300 F

Grip Plugs
GPN 330

QC-Plugs
GPN 245

Contact Protection
GPN 360 A

Tapered Closures
GPN 600

Screw Plugs
GPN 720 A

Grip Plugs
GPN 308

Screw Plugs
GPN 703

Flange Covers
GPN 650 B

Grip Plugs
GPN 310

Flange Covers
GPN 655 B

Closure Plugs
GPN 300 V

Screw-in Plugs
GPN 550

Closures
GPN 350

FEP Contact Protection
GPN 361

EXTERNAL PROTECTION

Protective Caps
GPN 200 A

VDA Sealing Caps
GPN 242

Grip Caps
GPN 220

Screw Caps
GPN 801

Shaft Protection
GPN 290

HV Connector Covers
GPN 385

HV Connector Covers
GPN 384

Universal Protection
GPN 610

Tapered Closures
GPN 608

Universal Protection
GPN 620

Protective Caps for Pipes
GPN 250

Tapered Closures
GPN 600

Fast-fit Caps
GPN 940

Universal Protection
GPN 615

Protective Caps
GPN 240

ADVANTAGES:

- + Savings of 100% natural resources
- + Bringing true circular economy into series production
- + Certified with the Blue Angel eco-label

www.blauer-engel.de/uz30a

RECYCLING BLEND

Material: PCR-PE/PE-LD, PCR-PE, PCR-TPE

Reduction of the
GHG emissions
up to **31 %**

Grip Caps
GPN 220

Universal Protection
GPN 610

Protective Dust Caps
GPN 920 B

Grip Caps
GPN 308

Hexagonal Caps
GPN 1000

Shaft Protection
GPN 290

Grip Plugs
GPN 310

Covers
GPN 910

Covers
GPN 340

Protective Caps
GPN 200 A

Protective Caps
GPN 240

Screw Plugs
GPN 703

Flange Covers
GPN 650 B

Protective Dust Plugs
GPN 920 A

Screw caps
GPN 801

ADVANTAGES:

- ⊕ Bright colours such as yellow or orange also possible
- ⊕ Savings of natural resources by mixing mainly PCR and virgin material
- ⊕ Bringing true circular economy into series production

VIRGIN MATERIAL

Material: PE-LD, PE-HD, PE-LLD, EVA, TPE, PHT/TPC-ET, SI, PP, PA, PET, PS

Flexible Grip Caps
GPN 211

Protective Caps
GPN 255

Grip Plugs
GPN 630

Thermoform Trays

Screw-in Plugs
GPN 550

ECO Universal Protection
GPN 401

Thin Wall Tapered Closures
GPN 601

Screw Plugs
GPN 700

Tapered Closures
GPN 600

Square Plugs
GPN 260

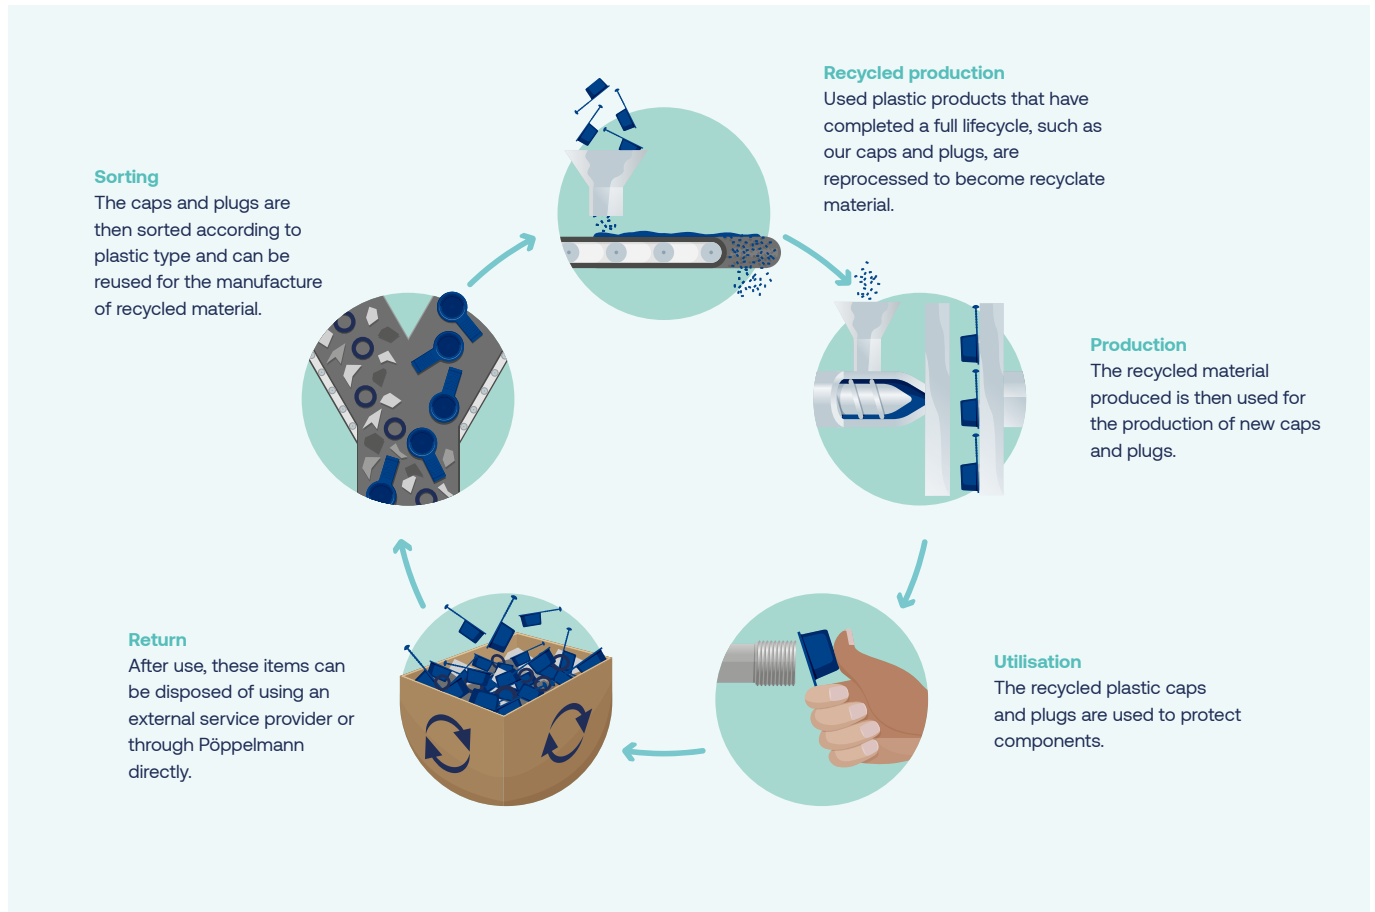

ADVANTAGES:

- ⊕ All colours including natural and white as well as all common material groups possible
- ⊕ 70% material savings due to thin-walled thermoformed articles

This is how we close the raw material loop.

We would be happy to discuss with you the possibility of returning the used protective elements to Pöppelmann. In many cases we can create a closed material loop together and save important resources.

Please feel free to contact us.

Awarded and certified.

KAPSTO articles made of recycled plastic have been awarded the Blue Angel and the French MORE certificate.
